Re: Letter of reference

To whom it may concern:

We have successfully cooperated with Bohemia Entrypoint s.r.o., represented by Jiří George Dvořák, in the area of design and advisory of Security Operation Center (SOC) in the following areas:

- Participation on an analysis and design of SOC
- Production of any required project deliverables as instructed by Deloitte
- Providing the assistance in the area of design and advisory of SOC
- Structuring of activities and following projects necessary to build up the SOC
- Mastering project time plan of activities to build up the SOC
- Budgeting of projects and activities

This deliverable was delivered without any delays and always on time with a high professional standard.

We continue to be in contact with Mr. Dvořák and recommend the cooperation with Bohemia Entrypoint.
